

8 : Sung by COLIN with chorus
 (for a setting a tone lower, see 8A)

When I'm with my Fanny, my Fanny, my Fanny,
 There sure is not any, not any, not any,
 So happy, so happy, so happy as I.
 The transport repeating, repeating, repeating,
 My fond heart is beating, is beating, is beating,
 Then ends, ends, ends with a sigh.—

With conjugal duty, with duty, with duty,
 A slave to her beauty, her beauty, her beauty,
 I'll cherish, I'll cherish, I'll cherish my fair :
 With passions requited, requited, requited,
 True lovers united, united, united,
 Then fly, fly sorrow and care.
